ECOL 437 LAB/DISCUSSION GROUP

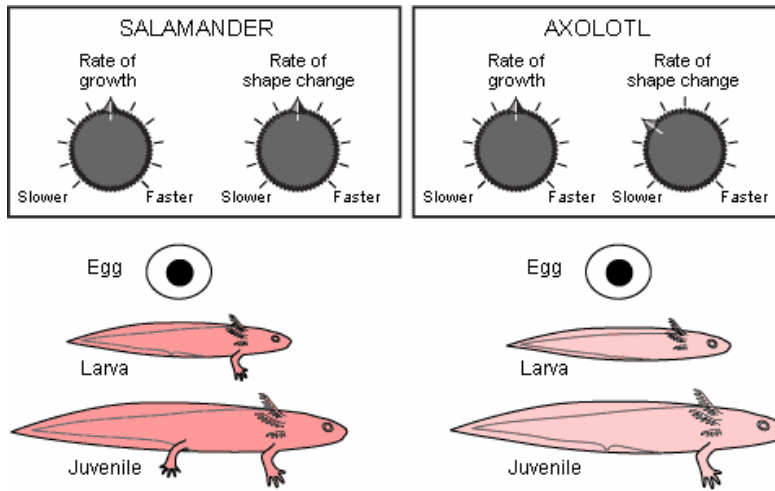

Ernst Haeckel, 1834-1919

"Ontogeny  
recapitulates  
phylogeny"

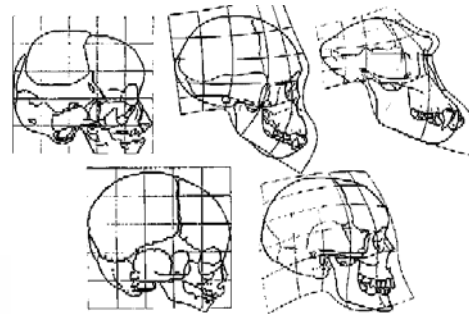

Aarrgh!

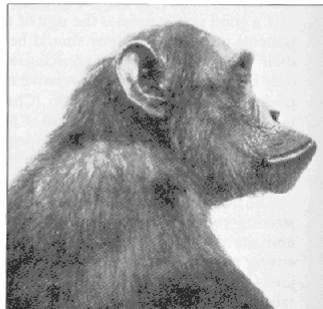

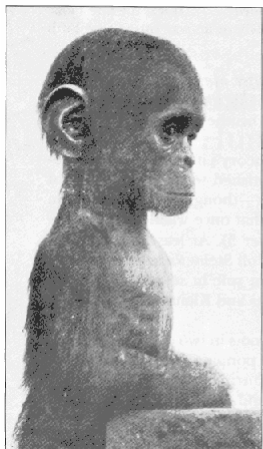

*Heterochrony*: change in timing or rate of development over evolutionary timescales

from evolution.berkeley.edu/evolibrary/article/history\_25

"Of all animal pictures known to me, this is the most manlike." (Naef, 1926)
